**HOLIDAY HOME WORK FOR CLASS NURSERY ( SESSION 2019-20)**

Enjoy your holidays. Travel, play but protect yourself from the scorching sun. Drink lots of water, juices, coconut water to keep yourself hydrated. Eat your favourite fruits like watermelon, Muskmelon, Mangoes and Litchies etc. Which will keep you cool.

Dear Parents,

You are requested to guide, motivate and facilitate your child to complete their holiday's homework and also explain your child about good touch and bad touch. Our goal is to transform your child into a versatile personality. Kindly follow these points to make your child a good human being-

- Allow your child to play outdoors, get hurt and get dirty. It's okay for them to fall down and experience pain once in a while. Comfortable life within the sofa cushions will make your child lazy.
- Teach them a few folk songs.
- Get some story books with colourful pictures for your kids.
- Keep your children away from TV, Mobile phones, Computers and other electronic gadgets; they have their whole life for that.
- Avoid giving chocolates, jellies, cream cakes, chips, aerated drinks and too many bakery products like puffs and fried items like samosas.
- Look into the eyes of your little one and thank God for giving you one wonderful gift. In a few years from now, they will be soaring into greater heights.
- As parent, it is important to invest your time with them now.
